The Director of Central Intelligence

Washington, D. C. 20505

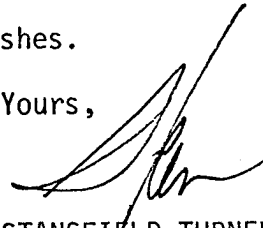

14 August 1980

Dear Paul,

I wanted to let you know that the combination of your introduction, your helpful handling of the questions and the chance to visit together before my talk made my visit with all of you at the San Francisco Press Club a particularly enjoyable event from my point of view. It was a great audience and I was certainly pleased with their response, especially on issues like protecting the identities of our people.

Many thanks and warmest wishes.

Yours,

STANSFIELD TURNER
